Easter Message

My peace I give you, Vassula, come and hear your Holy Mother: the Word of the Almighty has indeed been addressed to you; come now, you whom God's message was entrusted; come and write this: "Christos Annesti!"

Alithos Annesti!

yes, Christ is risen, and this is what God wants you to say to everyone; declare to this dying world that My Son has indeed resurrected; preach a resurrected Christ, My angel, because many in your generation do not acknowledge this truth because of their rationalism; have you not read: "these same people boast of their worldly achievements, thinking they have everything they want and that they are in glory while possessing the worldly kingdoms;" they are filled with their own importance instead of the fullness of the triune God;

...be warned, lest you be deceived and may God endow your hearts with discernment, so that His Glory given before your eyes, draws you into the Truth ♥

News of Forthcoming Publication: "Unity, Virtue of Love"

True Life in God is a Trinitarian Spirituality, that teaches us how we can participate in the love and life of the Holy Trinity, enabling us to bring unity to the Church and the world. **This new TLIG Book, "Unity, Virtue of Love,"** reveals to us how God is telling us, today, that unity among Christians is essential to bring peace, love and reconciliation into the world.

As it says in the TLIG Message, [March-April 2001](#), **"My pedagogy is perfect,"** therefore we can, with complete confidence, be evangelists of unity to the Church and the world - what a privilege God has given us, the Messages of Unity contained in this new TLIG Book, **"Unity, Virtue of Love."** We all have this God-given responsibility to promote this book everywhere we can.

...hand over everything to Me and allow Me to be your Spiritual Director, directing you and giving you My directives for the unification of My Churches; you are to be a sign for them and they will learn that since I Am is One, you too will be one as We are One; Scriptures will be fulfilled because My Sacerdotal Prayer to the Father will be accomplished ♥ ***I am in you so do not fear;***

The words that Jesus used in the above TLIG Message, "My Sacerdotal Prayer to the Father will be

accomplished," are a reminder of the Sacerdotal Prayer of Christ's to the Father in John, Chapter 17:21-23:

**"May they all be one
Father, may they be one in us,
As you are in me and I am in you,
So that the world may believe it was you who sent me.
I have given them the glory you have given to me,
That they may be one as we are one.
With me in them and you in me,
May they be so completely one
That the world will realize that it was you who sent me
And that I have loved them as you loved me..."**

"An Explosion of Divine Graces!"

India, November 12-16, 2005

Ranchi

Arriving at the Cardinal's Residence in Ranchi where Vassula was invited to stay

After her visit to Ranchi in November 2004, Vassula was once again invited to the state of Jharkhand in the northeast of India. She was warmly welcomed by His Eminence, Cardinal

Telesphore Toppo of Ranchi and His Excellency, Bishop Felix Toppo of Jamshedpur. It was Bishop Toppo's turn to organize a big Meeting for Vassula in his diocese, to finally share with his own parishioners the Messages of True Life in God. Bishop Toppo had participated in the 4th International TLIG Ecumenical Pilgrimage to Lebanon, Syria and Jordan in May 2005. He is a fervent supporter of the Messages of True Life in God as His Eminence, Cardinal Telesphore Toppo, is of Vassula's mission.

Pictures taken in the Cardinal's garden

Also present to welcome her were TLIG priest Fr. Stephen Raphael, Catarina from Bangladesh, and Antonis and Teresa from Bangalore, where they were sent to open a Beth Myriam for abandoned

babies. The gracious Cardinal extended his hospitality to Vassula and all of her group, and we were his guests for a few days. It was a gratifying experience to stay at the Cardinal's Residence, especially for our Orthodox brothers and sisters, who were able to see the comings and goings of the priests in the diocese, exchanging stories of Orthodox and Catholic saints and practices during the many meals we shared together. We were living Christian Unity day-in and day-out, in an atmosphere of generosity and acceptance.

Private Meeting with Cardinal Telesphore Toppo:

Vassula and the Cardinal had a private meeting wherein Vassula informed him of the latest developments in the Vatican regarding True Life in God and her mission. She told him of the success of the TLIG International Ecumenical Pilgrimage, adding to the information Bishop Toppo had given the Cardinal upon his return from the TLIG Pilgrimage to Lebanon, Syria and Jordan last May 2005. Bishop Toppo had come back full of fire and enthusiasm for Unity after having met clergy and laypeople from other church denominations during the pilgrimage. He had spent an enjoyable and prayerful 12 days with them. He was able to share this with His Eminence and had expressed his realization that Unity is very possible and may not be too far away.

The Cardinal showed he was appreciative of Vassula's mission for Unity, sharing that he believes in her experience with God. He had just come back from the Bishops' Synod in Rome and mentioned that the Holy Father, Pope Benedict XVI is giving Christian Unity his priority. Vassula presented the Cardinal with a Greek icon of Our Lady and another of the Mysteries of the Rosary. In turn, he gave her a rosary from the Holy Father, Pope Benedict.

Private moments with Cardinal Toppo to update His Eminence on TLIG developments

Jamshedpur

Bishop Toppo took us on a beautiful drive in his car the next day, from Ranchi to his diocese of Jamshedpur. Out of a population of 9.2 million, there are 61,000 Catholics, the rest are Hindu and Muslim. After the Bishop showed us around his Bishop's Residence, we were taken to the Convent of the Society of Jesus, Mary, and Joseph, where we stayed the night. The Mother Superior, Sr. Fidelis, was elated to host Vassula in her Convent and to have the opportunity to speak to her about the Messages, which were very dear to her. Sr. Fidelis has been an avid TLIG reader for many years and was awed at being given the grace to extend her

hospitality to Vassula, even for one night.

Jamshedpur Press Conference in the Bishop's Residence:

The Bishop organized a Press Conference for Vassula before the Meeting

Several journalists were present to interview Vassula and the Bishop about her visit and her mission. The Bishop gave them the details of Vassula's work and the Meeting to be held in an hour's time. Vassula explained her mission of delivering God's Message of Mercy to His people, calling them to return to Him. She mentioned the prophecies in True Life in God, pointing out that the prophecy of the New York Twin Towers disaster had been given exactly 10 years before, on September 11, 1991. The Tsunami of South Asia was also predicted several times before it happened. Vassula warned of another bigger and more destructive event to come, saying we can only pray, do acts of reparation and penance to diminish its force, but that it is too late to cancel it completely.

Jamshedpur Meeting:

From the Bishop's 31 parishes, 5,000 people came to the grounds of St. Joseph's Cathedral in Golmuri, Jamshedpur, to join their Bishop in welcoming His Eminence, the Cardinal, and Vassula.

Vassula speaks to 5,000 people in Jamshedpur

After an introduction by Bishop Toppo, Vassula took her place and talked to the Bishop's people. *"Why is God speaking to us today? He speaks today because God is a Father and intervenes when needed, when His people have strayed far from Him. He intervenes to remind us of our foundations."* She went on to say that the world has turned evil and God, being a Father, will not stay seated on His Throne and watch His children perish in the eternal fires. *"Scriptures say, whatever comes from earth falls back on earth. The world is experiencing catastrophes, natural disasters, wars, difficulties, and injustice like never before. These are due to man's apostasy... We have forgotten where we come from and why we exist! Our mission here on earth is to love Him and serve Him, to serve one another because He lives in each of us."*

She continued on about Repentance. She said that God is sending the Holy Spirit, pouring graces like never before in history. But to receive the Holy Spirit in our heart, we must empty it of all sins and vices; we must make space through Repentance. Only then can the Holy Spirit invade us and do His Will in us. From a true Repentance comes the fruit of reconciliation and then unity. *"The Lord wants a heart humble, modest and good. We will be judged according to the measure of love in our heart. So let us expand our hearts to receive more of Him so that we can give more to Him..."*

Vassula covered many subjects in the Messages, speaking in very clear and easily understood language. The crowds were made up of all different ages and were delighted to listen to the simple way Jesus taught her to love Him and be close to Him. *"All that is good within us comes from Him..."* she said, telling them the story of how the Lord taught her this: **"Do you have anything to offer Me, Vassula? Everything good comes from Me."** Vassula answered: *I can paint, I will paint an icon and offer it to you in the church.* But then the Lord answered: **"The gift of art, Vassula? This also comes from Me."** Searching her mind, she indeed found nothing good she could give Him. So she replied: *"...then I have nothing to give You."* Then the Lord corrected her: **"But there is, give me your will."** Surprised, she retorted: *"...but I already gave You my will a few weeks ago!"* He replied: **"I want you to offer Me your will everyday."**

"The Lord asks us to pray from the heart, these prayers vibrate with truthfulness and He

listens to them. Prayer from the heart unveils Him, because it becomes a dialogue with God. When praying the "Our Father", you are offering your will; it is a very important prayer, because it contains everything. Make an image of a God who is alive in front of you as you pray it."

An early evening freshness crept into the air as I made my way to the back of the grounds to take some pictures of the crowd. I saw that families had come in droves, shuffling here and there to shake off the chill of the night, nevertheless quietly listening to the simple teachings. There was no one, not even a wee baby crying impatiently. I remembered the first time I heard these simple but profound stories, I recognized the same sense of well-being and peace pervading the atmosphere...as it always does when Vassula speaks of the Lord and the Messages of True Life in God.

Meeting in the Jesuit School for Seminarians:

Vassula speaks to seminarians at a Meeting in Tarunoday Theologate, Ranchi's Jesuit school for Seminarians. This ended her engagements in Ranchi

Fr. Ignace Topno has been Vassula's translator to Hindi during all her visits to Ranchi and Jamshedpur. He is also the Rector of a Jesuit School for Seminarians and his desire to bring her to speak to his students was finally realized. Always guided by the Holy Spirit, the topics chosen were slightly different, allowing her to go deeper into what Our Lord desires for His priests, for His Abels.

Vassula began: *"God can choose anyone He wants to be His Messenger. He is able to demonstrate His Power through a docile instrument."* Through the Holy Spirit, she received her Call, and from someone indifferent, God transformed her into the bearer of His Message. She knew nothing, so He became her Teacher; all that she knew, she learned directly from Him by locution, which is the inner voice. He made her understand profound teachings by diffusing a light into her intellect; *"His Word is a river breaking into rivulets to other areas of Knowledge, it is imprinted and unforgettable."* When God speaks, it is always for the benefit of the Church. She unworthily obtained this gift to help the Church, and God is not pleased with the division in His Church, the word "diabolos" in Greek, means division. The Call from the Holy Spirit now is for Unity.

She spoke of the Eucharist, saying that the Lord complains that His Eucharist is given less and less importance. In places like the United States and Europe, bishops say that some priests do not believe in the True Presence in the Eucharist. Many do not realize it is through the Eucharist that God deifies us, divinizes us, making us gods by participation.

"To save all the humble of the earth who receive Me and to give them imperishable life, I became Bread to give Myself to you; and through this Communion I sanctify all who receive Me, deifying them to become the flesh of My Flesh, the bones of My Bones; by partaking me, I who am Divine, you and I become one single body, spiritually united; we become kin, for I can turn you into gods by participation; through My Divinity I deify men..." ([October 16, 2000](#)).

The Lord also laments the lack of adoration to Him. He compares it to someone you love that never visits you. He wants our presence; there is no need for words, just for us to sit with Him as two friends. He desires for us to be intimate with Him. The first step is to approach Him, as we are, to get to know Him and learn to love Him. She shared with them how the Father taught her to be intimate with Him, how she approached Him like a child and was able to speak to Him by learning to say the "Our Father" from her heart. She made an image of a living God in front of her, knowing He was present. This is the way to touch His Heart, which is easily touched.

"You are called to become priests, remember that the biggest service you can render to God is to bring one soul back to Him. Many can spend their lives learning about God, speaking about Him and end their lives without really knowing Him. One has to meet God, become intimate with Him; like a child speaking to His Father from his heart."

After speaking to them about several other topics in True Life in God, there was an Open Forum. The main question asked was regarding Christian Unity. She described her vision of the 3 Iron Bars, and how the Lord made her understand they represent the Catholics, Orthodox and Protestants. The heads of these 3 bars can only bend and unite using the keys of Humility and Love. The Lord makes her feel that so long as the division exists, wars, disasters and catastrophes will continue. He asks that we simply unify the dates of Easter, and if we do, He will send the Holy Spirit in full force to give us the light to unite.

The audience of about 40 seminarians and Fr. Ignace were thankful for Vassula's generosity in

sharing her testimony with them. This unplanned conference marked the end of Vassula's visit to the state of Jharkhand.

New Delhi

Vassula in the background with His Excellency, Bishop Anil Couto during Delhi Meeting

We left Ranchi the next day and arrived in New Delhi that evening. Vassula was invited to speak at an impromptu meeting hosted by His Excellency, Bishop Anil Couto of New Delhi and organized by Fr. Joseph Thomas of TLIG New Delhi, in the hall of a Catholic Girl's School. Bishop Anil had accompanied us on our 4th International TLIG Ecumenical Pilgrimage in May '05 and has written a beautiful article on his TLIG Pilgrimage experience in the Catholic Journal of India (Reference: [TLIG Pilgrimage 2005 Report](#)).

The Bishop introduced Vassula with gladness and eagerness. He spoke of the wonderful pilgrimage to Lebanon, Syria and Jordan to the audience made up mostly of diplomats and expatriates of different religions all living in the capital. Vassula gave a brief talk about how it all started and the True Life in God Messages, giving them a glimpse of the scope of her mission for Unity. Due to the limitation of time since our flight that evening had arrived late, and since we were preparing for an early departure to Bangkok the next morning, Bishop Anil and Fr. Joseph invited Vassula to come and speak again to a bigger crowd on her next trip to New Delhi in 2 months time.

We thank His Eminence, Cardinal Telesphore Toppo, His Excellency, Bishop Felix Toppo, His Excellency, Bishop Anil Couto, Fr. Stephen Raphael and Fr. Joseph Thomas for their strong support for Vassula's mission and True Life in God. With their help, the Messages are finding their way all throughout this vast country of India.

"An Explosion of Divine Graces!" Cont'd

Bangladesh, November 16-19, 2005

We arrived in Dhaka after Vassula's mission in India was accomplished. Dhaka is the capital and largest city of Bangladesh, whose Muslim influence is reflected in the more than 700 mosques and historic buildings found throughout the city. I could feel Vassula's eagerness to be in Bangladesh once again, this is where she lived when True Life in God started 20 years ago, on Nov. 28, 1985. She had come to visit the Beth Myriam, the first TLIG school to be opened in the world, and pay a call to her friend, the Ven. Suddhananda Mahathero at the Dhammarajika Monastery and Orphanage, as the Ven. Buddhist Monk was ailing and weak.

This busy and colorful city has a huge population of 12.5 million people, predominantly Muslim, with Hindu, Buddhist, and Christian minorities

Inter-religious guests at Vassula's Welcome Dinner

A welcome dinner was hosted by Catarina and Duleep in their charming apartment in the Embassy Row of Dhaka, not far from where had Vassula lived. It was a very interesting inter-religious crowd of friends; above, from right to left: Duleep, Imam Mohammed Mazharul Islam, Fr. Waseem Walter from Pakistan who translates TLIG to Urdu, Ven. Buddhapriya Thero, a Buddhist Monk, Vassula, Mr. Sunil Barua of the Buddhist Orphanage, Mr. Nirmal Chatterjee of the Hindu Inter-religious committee, Mr. Kajal Datta the translator of TLIG into Bangla, and myself. In front: Catarina and Sonia Panni with husband Volker Tondorf. Some of them had attended Pilgrimage '05 last May and were eager to speak of their experience and the TLIG friends they had made. They form the first TLIG Inter-religious Life Dialogue group and were honored to be present at this special gathering with their sister Vassula.

Visit to Beth Myriam Dhaka:

Left, Welcome to our Beth Myriam! Right, The Beth Myriam helpers

True Life in God's Beth Myriam Project was launched after Vassula was given a vision in the Holy Land back in 1998. In August of the following year, Vassula was invited to witness in Dhaka, accompanied by Catarina. The Holy Spirit's inspiration for the Beth Myriam in Dhaka came in the

form of a question from Vassula to Catarina: "when will you open a Beth Myriam in Dhaka?" Carol Chamberlain, who had been assigned to Bangladesh 3 years earlier, was then called to establish the local contacts, and with Catarina and the precious help of Duleep, the first Beth Myriam was born on the 10th of December 1999. Today, a 100 meals a day are prepared to feed the poor. Catarina and Duleep are helped by the caregivers in the photo above, devoted souls offering an oasis of peace and love from Our Lady and Jesus. The Beth Myriam caregivers encourage their guests to say their own prayers of thanksgiving before meals. There is no mistaking it is Our Blessed Mother's House by the many holy images and icons decorating the walls. Underneath Our Lady's icon in the dining room is an inscription: "Jesus and Mary are offering this meal to you."

Filming in the Beth Myriam's kitchen

Vassula's mission in Bangladesh was to observe and document Beth Myriam Dhaka. She was happy to see the cleanliness and the quality of the food served, and most of all the grateful and joyful smiles of adults and children in their Blessed Mother's Home.

Praying before the meal

Left, Waiting... Right, Duleep serving

Left, Eating at last! Right, The 2nd shift for lunch

The Ramadan feeding boxes

This Beth Myriam has been functioning every single day since it opened. The humble people were overjoyed to express their thanks to their special visitor. It is run very efficiently with meal cards distributed to the families, and the nutritious food is served according to a Menu Schedule that Carol had put together back in 1999 and posted in the kitchen. During Ramadan, the Muslim period of fasting, this Beth Myriam prepares special lunch boxes for the people to take home and eat after they break their fast. Care is always taken to respect other religious traditions; the objective is to give food, clothing, education and medical assistance to all God's children in need, regardless of belief and practice.

Four times a week, the Beth Myriam hosts an hour-long Bangla school-class teaching the basics of reading, writing and arithmetic to 25-30 children from the slums, aging from 5-12 years of age. At the same time, an English class for the children is also offered. True Life in God readers are encouraged to experience life in a Beth Myriam, two clean rooms are available here for those interested to go to Bangladesh to visit or help out.

A day in Kulun Village, to see the True Life in God School:

About an hour's drive from Dhaka, one reaches the river crossing point to Kulun Village, which is one of 5 Christian villages in the area. The whole village and the parish priest from the nearest Catholic Mission were on hand to welcome and thank Vassula. We were accompanied by Fr. Waseem Walter, Catarina and Duleep.

Walking to the crossing point and boarding the boat to Kulun Village

The village elder greeting Vassula before the waiting villagers

A welcome by the whole village, leading us to the first TLIG School

The children of Kulun had to walk long distances to go to school a few years ago, discouraging many parents from giving their children an education. The Lord inspired one of the villagers to request Catarina and Duleep to offer the village children the facility to learn by building a school for the little ones. The request was granted, donations were given for its construction and the school furnishings. TLIG Bangladesh sees to the salaries of the teachers and the maintenance of the school. In this Christian village, the teachers read the True Life in God Messages to the children once a week.

A very generous donation was made by a devoted reader of the TLIG Messages, and inspired our friends in Bangladesh to build an extension to the initial building. Vassula's visit was a good opportunity to set the foundation stone for this extension. Taking the trowel with some cement, Vassula laid the first bricks for the foundation of this continuing act of charity.

Laying the first bricks for the much-needed extension. The construction is generously donated and managed by TLIG Dhaka

Villagers and school teachers watching the "laying of the cornerstone"

The special celebration of Vassula's visit, an extravaganza by the village children!

These beautiful, talented children were attired in their native dresses, presenting colorful local Bengali dances. They sang songs in their language and successfully attempted a song in English for their guests, proud to display all they had for us. In these humble gestures of appreciation of True Life in God's generosity, we saw that there is nothing to compare with the gentle hospitality of Asia. What little they had, they were happy to share with us, living in the spirit of the Messages: **"Remind everyone what the beauty of My Spirit brings to mankind; it brings them peace, love, gentleness, kindness, patience, truthfulness, generosity, self-control and mercy which will lead them to eternal life"** (December 29, 1996)

Singing in English with their charming Bengali accents as their families look on

The Lord goes slowly and quietly, bringing His people back to him. Simple efforts inspired by the Messages bring about so many blessings to God's people. Acts of love such as these are the sublime expression of God's Love in us. May God bless the good work of TLIG Bangladesh.

Invitation to visit the Ven. Suddhananda and the orphans in Dhammarajika Buddhist Orphanage:

Driving through the old city of Dhaka, we came to the Monastery and Orphanage

The Buddhist monks, the directors of the Orphanage and some of the 400 children were on hand to greet us with flowers and songs

We were graciously received by the Orphanage administration members and the Venerable Suddhananda Mahathero, who is the Chief Monk, President of the Bangladesh Bouddha Kristi Prachar Sangha Monastery and also Vassula's old friend. One can feel a special relationship of gentleness and deep respect between Vassula and the Ven. Suddhananda. Their conversation revolved around Pilgrimage '05 which unfortunately the Ven. Suddhananda was unable to attend due to last minute health problems. They discussed matters on the situation in the world today threatening to draw God's Justice upon us. She indicated to him that the NY towers and the Tsunami disasters were prophesied in the Messages and have come to pass, and that the Lord has warned us of another much graver event to happen. Vassula requested the Ven. Suddhananda and his monks offer their prayers and fasting for the world to return to spiritual values.

The TLIG International Beth Myriam Fund continues to support the Dhammarajika Buddhist Orphanage in Dhaka, an act of love that binds us to our Buddhist brothers. Our short stay in Bangladesh was fruitful and filled with graces to see True Life in God so alive ... after all, this is where it was born 20 years ago.

A Prayer Request for Father Milheiro

During the making of this month's e-newsletter, we learned that Father Milheiro was ill.

Vassula has asked that the following prayer request be sent out. Fr. Milheiro is the translator of the TLIG messages into Portuguese and a long time supporter and promoter of the messages.

Fr. Milheiro of Portugal is sick and needs prayers from all of us. I would like the priests that are making Mass to include him in their Masses.

*In Christ,
Vassula*
